

The Department of Molecular Genetics
invites you to our annual

QBMG/CBMG PhD Programs Information Session

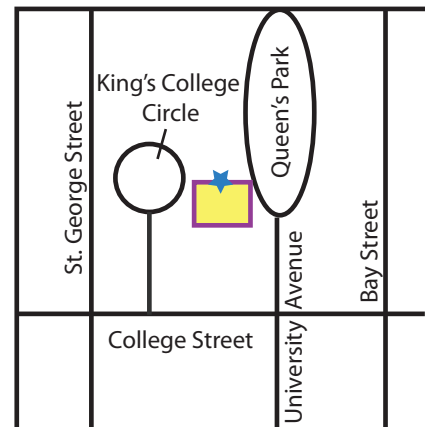

Our faculty will give you an overview of our multidisciplinary PhD Tracks in **Quantitative Biology (QBMG)** and **Computational Biology (CBMG)** and will answer any questions you may have about applying.

DATE: Thursday, Nov. 10th

TIME: 5-6:30 PM

**LOCATION:
InteractHome, Room 4284 MSB**

Molecular Sciences Building (MSB)
1 King's College Circle
M5V 1B1
Toronto

★ The main entrance is off King's College Circle, just north of College Street, West of University Ave.

RSVP Required by Nov. 4th:
